

Tap Into Water: Free Family Fun Day!

May 2, 2015 ~ 10am–2pm

Gardner City Lake Park, 30100 West 151st Street, Gardner KS

FREE registration includes pizza lunch, rain barrel, ice cream, & activities

Are you looking for a fun and educational adventure for the whole family? Are you curious about your community's water resources? Would you like for your kids to know where water comes from and where it goes after it goes down the drain?

Your family is invited to enjoy a day of learning about and celebrating water. Your kids will have so much fun, they won't even know they are learning. You will take home a free rain barrel and an in-depth understanding of how communities and families can work together to ensure a clean and safe water supply.

Kansas Association for Conservation & Environmental Education (KACEE), Hillsdale Area Water Cooperative (HAWC) & Hillsdale Watershed Restoration & Protection Strategy (WRAPS) are sponsoring this FREE event, which includes:

- ◇ Fun games & family activities to learn about the water cycle, watersheds, storm water, lawn/garden care & more!
- ◇ Pizza party lunch and water jeopardy game with fabulous prizes
- ◇ Free rain barrel for kids to decorate while parents learn about community water resources
- ◇ Ice cream social and fun educational exhibits from local natural resource partners

Register Today ~ Space is Limited!
